College Savings Plan

Nizari offers a college savings plan in which you earn 0.50% APY more than a regular savings account. The current dividend rate will earn this account 1.20% APY (1.205% APY) for balances less than 100K. There is no income limit for the contribution and you can deposit \$6,000 per year per beneficiary. Funds can be used for education expenses including tuition, books, and lodging. Contact us for more details on how to get started to save for your children's future.
