## PAYMENT PROTECTION Are you interested in having your loan protected? $\square$ YES $\square$ NO

If you answer "yes", the credit union will disclose the cost to protect your loan. The protection is voluntary and does not affect your loan approval. In order for your loan to be covered, you will need to sign a separate application that explains the terms and conditions.

## CREDIT CARD CONSENSUAL SECURITY INTEREST

You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you have given in your shares and deposits. You may withdraw these other shares unless you are in default. When you are in default, you authorize us to apply the balance in these accounts to any amounts due. For example, if you have an unpaid credit card balance, you agree we may use funds in your account(s) to pay any or all of the unpaid balance.

By signing or otherwise authenticating below, you are affirmatively agreeing that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest.
